

TV Education Role Explored At El Camino

El Camino College is assuming a role of leadership in the current attempt of Los Angeles County to determine the potential role of television in the field of education.

In compliance with a request issued by the county superintendent of education, William T. Mooney, assistant director of instruction at El Camino, is appearing in an eight-week series of programs designed to demonstrate good teaching techniques by demonstration and experiments.

Mooney, in charge of the division of physical science, mathematics and engineering on the college campus, was requested by the county to organize and present the programs devoted to the field of chemistry instruction each Wednesday afternoon.

Appearing on Channel 13 (KOP) at 4 p.m. weekly, Mooney has organized a series of half-hour presentations which serve to enrich the instructional program for the high school and beginning college chemistry student.

"The program brings to these students materials, equipment, and people in the fields of research and chemistry not available in the average classroom," Mooney stated.

On his May 14 program, Mooney will discuss the "Rates of Chemical Reactions." His special guest for the day will be Jack Jines, an Oak Ridge traveling teacher on leave of absence from Santa Fe High School.

"Oxidation Reduction" will be the topic of the May 21 program, when a representative of the United States Chemical Milling Company will assist in demonstrating the chemical principles involved in chemical milling.

Northrop Grants Wage Boosts to Plant Workers

Northrop Aircraft Inc. today announced increases ranging from 2 cents to 11 cents an hour for hourly-paid personnel at the company's Northrop and Northrop Divisions.

The increases apply to 13,065 personnel and take effect this week. The raises are in addition to the 16 cents an hour cost of living adjustment which has gone into effect progressively over the past one and a half years.

Employees also will be granted an additional "floating" paid holiday, set this year for December 24, the day before Christmas. Date for this additional holiday will be set each year by the company.

Rates for salaried personnel are being studied. The increases in pay apply to Northrop and Northrop personnel at Hawthorne, Anaheim, Torrance, El Segundo, Pasadena, Lynwood, Los Angeles International Airport and Edwards Air Force Base, Calif.; Patrick Air Force Base, Fla.; Redstone Arsenal, Huntsville, Ala.; Holloman Air Force Base, N. M.; and Amarillo Air Force Base, Tex.

Salvage Drives To Help Campers

Would you like to see a deserving youngster have a wonderful week at summer camp? Southland housewives can help by donating their discarded to the St. Vincent de Paul Salvage Bureau.

A portion of salvage proceeds during May, June and July will go to the support of St. Vincent de Paul Camp for boys aged 8 to 12 years.

Camp season of eight weeks will open June 26.

Furniture, clothing, newspapers, appliances, household goods and other usable articles will be collected by St. Vincent de Paul trucks.
